Examination to be held in May 2019, 2020 & 2021

Objectives: The projects have been designed so as to provide hands on exposure to the students in various aspects of Mathematics. During this 4th semester each student will be assigned a mentor under whose guidance he has to complete a project based on the application of knowledge in solving/analyzing/exploring a real life situation/difficult problem as well as recent development in the field of Mathematics. In the end of the semester the students have to submit a project report in the form of the dissertation.

Evaluation Scheme: As per the statutes of the Cluster University Jammu, project examination in PG Mathematics (General) consists of two parts: Internal & End semester Examination. The project work is assigned 08 credits and evaluated for 100 marks of which 50% marks are allotted for the project, 25% for the presentation & viva-voce in internal examination and 25% as end semester examination. The end semester exam shall be based on the presentation of the student followed by a viva-voce. The end semester exam will be evaluated by one Internal and one external examiner i.e; on 50-50% basis.

Project Scheme: The scheme is as under:

1. The dissertation must be typed and be limited to 50-75 pages of A4 size.
2. The qualifying grade for the project report is 'B' (55%).
3. The student will be allowed to sit in the end semester examination for the 4th semester Theory only on submission of project report.
