## CONDITIONS OF TENDER AND CONTRACT

1. Tenders must be enclosed in a properly sealed envelope according to the directions given in the tender notice.
2. The rate unit must not under any circumstances be altered and the rates must be entered in words as well as in figures.
3. Tenders should be given by those firms/dealers who are registered/approved/authorized suppliers for those articles/goods/equipment machineries etc. or by those who are dealing actually in goods for which tender is being given.
4. The tender are to be submitted in the following manner:-
  - a) Envelope No.1 (Technical Bid) should contain the technical information and undertaking of the document. It should also contain the photocopy of the tender document with each page duly signed by authorized signatory of the bidder.
  - b) Envelope No.2 (Financial Bid) should be marked as Financial Bid and should contain Financial Bid Performa.
  - c) Envelope No.3 (Master Envelope) should contain the Technical Bid and Financial Bid and should be marked as “Computer, accessories and peripherals”.
5. The approved supplier shall be deemed to have carefully examined the conditions, specifications, size, make and drawing etc., of the goods to be supplied. If he shall have any doubt as to the meaning of any portion of these conditions or of the specification, drawing etc., he shall before signing the contract, refer to the officer in-charge and get clarifications.
6. The contractor shall not assign or sublet his contract or any substantial part thereof to any other agency.
7. All the stocks supplied shall be of the best quality, to the specifications, Trade mark laid down for them and in strict accordance with the approved standard **samples** and in case of any materials, of which there are no standard or approved supplies, the supplies shall be of the very best quality and description obtainable in India. The decision of the accepting authority shall be final as to the quality of the stocks and shall be binding upon the tenders and in case any of the articles supplied not being approved and thus shall be liable to be rejected or replaced and any expense or loss caused to suppliers as a result of rejection or replacement of supplied, shall be entirely at the account of the tenderer.
8. The Purchasing Officer or his duly authorized representative shall have at all reasonable time access to the suppliers premises, and shall have the power at all reasonable time to inspect and examine the materials and workmanship of the goods.
9. In case the goods other than of the approved quality, make or size are supplied they shall be rejected and will have to be replaced within a reasonable time by the supplier, without extra cost. If due to exigencies of public works/interest such replacement is not possible, the prices of such article will be reduced suitably. The prices fixed by the Purchasing Officer shall be final.

10. The bidder should be registered with appropriate tax authorities such as Income Tax , Goods & Services Tax( GST)\_ etc., and should submit valid certificates of registration with these authorities.
11. The bidder has to produce tax clearance certificates from Income Tax Department for the three preceding years (2015-16, 2016-17 & 2017-18).
12. The bidder's Average Turnover during preceding three years should be Rs 50,00,000/- (Rupees fifty lakh only) per annum or more.
13. The rates shall be inclusive of all taxes applicable in the state of Jammu and Kashmir.
14. The rejected articles must be removed by the tenderer from the destination where they are within 30 days of the date of information of rejection. The officials concerned will take reasonable care of such material but in no case shall be responsible for any loss, shortage, damage that may occur to it while it is on their premises.
15. The tenderer shall be responsible for the proper packing so as to avoid damage under the normal conditions of transport by sea, rail and road or air and delivery of the material in good condition to the consignee at destination. In the event of any loss damage, breakage or leakage or any shortage the tenderer shall be liable to make good such loss and shortage found at the checking/inspection of materials by the consignee. No extra cost on such account shall be admissible.
16. All rates quoted must be F.O.R Destination and should include all taxes. In case of local supplies also the rates should include all taxes and no cartage or charges for transportation will be given by the university and the delivery of the goods shall be given at the premises of the University School/College.
17. The tenderer whose tender is accepted shall arrange supplies within a period of 10 days from the date of placing the order. The supplies shall have to be arranged according to the requirement of the Department.
18. The contract of supply can be repudiated at any time if the supplies are not made to the specification of the Undersigned.
19. Tender should be filled with ink and S.No's. No tender filled in by pencil. Each page of the tender documents should be numbered and signed by the tenderer. The tender with cuttings/overwritings/erasing and using fluid etc. shall not be accepted. Such tenders shall be rejected and no explanation entertained or accepted.
20. The tenderer should sign the tender form at each page at the end in token of the acceptance of all terms and conditions of the agreement.
21. Tender must be accompanied by an earnest money of Rs20,000./- for each subject without which tenders will not be considered. The amount should be deposited through C.D.R. The firms who are exempted from CDR/Security Deposit shall have to furnish a certificate of exemption from competent authority indicating the reference of exemption during current financial year i.e. 2018-19. In case of failure the tenders shall be rejected.

22. This earnest money will be refunded to unsuccessful tenderer within one month of the final acceptance of the tender whereas in case of successful tenderer it will be treated as a part of security.
23. Successful tenderers will have to execute an agreement in the prescribed form and deposit security amounting to Rs1,25,000/- for the due performance of the contract. The security money will be returned after two months from the date of completion of the agreed contract. No interest will be paid by the department on such security amount. The expenses of completing and stamping the agreement shall be paid by the supplier and the Purchasing Officer shall be furnished free of charge with one executed stamp counterpart of the agreement.
24. Remittance charge on payment made to the firms will be borne by the contractors.
25. If the approved suppliers fail either to supply goods of the prescribed specification or to deliver the goods within the specified period, the Purchasing Officer shall be at liberty to arrange supply either through tender or otherwise.  
The Purchasing Officer may give seven days notice in writing to the approved supplier to make good the failure, neglect or contravention complained of and should the contractor fail to comply with the notice within seven days of the date of service thereof and in such cases if the Purchasing Officer thinks fit it shall be lawful for him to retain and supply the balance which may be due to the contractor or to supply the amount of earnest money deposited by the supplier to make good the loss sustained or excess cost incurred by the State in arranging the supplies through any other agency.
26. *Insurance* -(i) The goods will be delivered at the destination godown in perfect condition. The supplier, if he so desires, may insure the valuable goods against loss by theft, destruction or damage by fire, flood, undue exposure to weather or otherwise viz. war, rebellion etc. The insurance charges will have to be borne by the supplier and State shall not be required to pay such charges, if incurred.  
(ii) No advance payment will be made except in very rare and special cases for which reasons will have to be recorded. Payment shall be due and payable by the Purchasing Officer on behalf of the Governor only when the whole quantity has been delivered and inspected and accepted by the Purchasing Officer and a certificate of having done so is recorded by Purchasing Officer. In case of disputed items 10 to 25 percent of the amount shall be withheld and will be paid on settlement of dispute in terms of the award granted. Progressive payments, if agreed to will be made according to the terms entered in the agreement.  
(iii) The validity period and the delivery period can be extended with the written agreement by the undersigned.
27. Direct or indirect canvassing on the part of tenderers or their representatives will disqualify their tenders.
28. The Committee reserves the right to accept any tender not necessarily the lowest tender and reject tender without assigning any reasons thereof. Orders can be placed for the

whole or part of the quantity and articles tendered for at the discretion of the Government.

29. No Railway Receipt will be accepted by V.P.P.
30. All legal proceedings if necessity arises to institute any, by any of the parties (Government or Contractor), shall have to be lodged in courts situated in Jammu and Kashmir State and not elsewhere.
31. No conditional tender shall be accepted.
32. Any sum of money due and payable to the contractor (including security deposit returnable to him) under this contract may be appropriated by the purchaser or Government or any other person or persons contracting through the Secretary and set off against any claim of the purchaser or Government or such other person or persons for the payment of a sum of money arising out of or under any other contract made by contractor with the purchaser or Government or such other person or persons.
33. No other conditions except those mentioned above will be entertained in the tender.
34. In case of machinery/equipments the payment shall be released only after the machinery/equipment is installed and successfully commissioned. CDR shall be released after testing of equipment.
35. Besides the terms and conditions as laid down above, the supplier shall be bound to the other terms and conditions as might appear in the purchase order.

**Most Important Condition**

It is essential to furnish the complete literature and other details regarding make /model no. etc. relevant to all items of equipment/goods quoted by the tenderer. The tender may be rejected in absence of such literature. Laboratory manual should be provided with each equipment/machinery.
